

Call for Presentations – Process Insights Europe 2025 planned for CW 12/2025

PROCESS INSIGHTS EUROPE 2025 focuses on processes for modern product development, provides best practices to prepare the engineering world for mastering the challenges of tomorrow and shows how efficient processes simplify and accelerate the necessary changes. Process Insights covers all aspects of modern process management in engineering: From strategies over methods and standards to tools and best practices. The event provides inspiring speeches, roundtables, and an exhibition area where experts can discuss, network and learn from each other.

We are looking for presentations from experienced and engaging speakers about, but not limited to, the following topics:

Process Management

- Process Architecture
- Process Variants & Tailoring
- Process Automation
- Compliance Management
- Process Management Organization

Industry Standards

- Automotive SPICE and extensions
- Agile SPICE
- New SPICE standards
- SOTIF / Autonomy Safety
- Process Assessments and Improvement

Best Practices

- Agile, Lean, SAFe, LeSS, etc.
- DevOps / DevSecOps
- MBSE
- Open Source in regulated markets
- Quality Assurance

Engineering Excellence

- Artificial Intelligence and Machine Learning
- Cybersecurity
- Functional Safety
- Software and Systems Engineering
- Product Line Engineering and Variant Management

Submission of draft presentation or paper till 31.12.2024

We offer 2 different Presentation slots:

25 min. presentation + 5 min. for questions by the audience

40 min. presentation + 5 min. for questions by the audience

Please use your own presentation template.

Benefits:

Presentations should be held by one or two Speaker. Both Speaker will get free entrance to the conference.

The conference is accepted by the international assessor certification scheme (intacs™) as active or passive experience evidence (EE-EP, EE-AC) for certification as Automotive SPICE Lead Assessor.

Please provide any submission including a title, target description and agenda of the presentation, the name(s) of the author(s) and a contact address of the author(s) according to one of the following topics.

Please send the submission to

LST.Global.ProcessInsights@ul.com
